

COACHING FOR LIFE

Inspiring look at how everyone has opportunities to inform, engage and inspire others.

By Andrew A. Pansini

Book Synopsis

“Coaching for Life” opens our awareness that we have been given the gift of knowledge, and we can choose to use this resource to improve the world for those around us, and ultimately for ourselves.

Author Bio

Andrew A. Pansini was born in San Francisco, grew up in Marin County, California, and has lived in Novato, California for the past 45 years. Mr. Pansini received a Bachelor’s degree from the University of San Francisco in economics. He has been married to his wife, Pam, for over 40 years with two children and five grandchildren.

Mr. Pansini’s grandfather founded the first parking company in the world in 1917, Savoy Corporation. His father invented the world’s first automatic swimming pool cleaner in 1957 and founded Jandy Industries.

Mr. Pansini has been an active volunteer of multiple not for profit organizations for over thirty years including Chairman of Sutter Health and over twenty years as a coach, board member and president of Novato Little League. He is a past board member and of Sutter Health, a 10 billion dollar healthcare system. Currently, he serves on the board of Sutter Care at Home.

Mr. Pansini authored “Fathers of Invention” in 2017, an American story of Family, Faith and Innovation. The *website is apansini.com* and he can be reached at *andy@apansini.com*
